

SANTHOME PUBLIC SCHOOL, MIRA ROAD

ACADEMIC REPORT 2023-24

“The function of education is to teach one to think intensively and to think critically. ... Intelligence plus character—that is the goal of true education.”

Martin Luther King

A heart filled with aspirations is all that we knew since the very existence of the school and that's what gave us the ambition of marching forward till excellence is achieved in all our endeavors. This report is comprised of the achievements made during the year gone by and at the same time set the path for greater accomplishments in the years to come.

NEW ACADEMIC YEAR BEGINS..... Every ending is a new beginning. The end of the previous academic year called for renewed efforts and enthusiasm for the new academic year i.e. 2023-24. The school reopened on 03rd April for Jr KG to Grade X. During Morning assembly, the Principal addressed the gathering and wished the students and staff for a successful year ahead.

**NEW ACADEMIC YEAR
BEGINS.....**

INAUGURATION CEREMONY OF CLUBS

"Clubs are the instruments through which one can find their hidden talent."

The inauguration of various clubs of the school held on Monday ,10 April 2023. The function officially commenced with a prayer song by the choir of santhome students, followed by an act/skit by each club. The club in charges explained the importance and the objectives of different clubs namely language, Eco, Math Arts, Science , Tourism and Sports clubs. Principal addressed the gathering and reminded that the development of personality does not take place within the four walls of the class. He insisted the students not to hide their talents and to be aware of the inner strength given to them by God. The gathering was dispersed after the National Anthem.

ORIENTATION PROGRAMME FOR PARENTS

SPS organized an orientation programme on 17th April 2023, for the new set of parents to familiarize them, “as partners in progress” with the curriculum, rules and regulations of the school, teaching methodologies and the co-scholastic activities.

The Orientation began on a thought that was as follows:

“A parent is a teacher at home and a teacher is a parent in school and the child is the Centre of our universe.”

The orientation programme proved to be a sincere effort made by the school in educating the parents to look after and guide their children in a proper manner. It also helped in evolving a common teaching strategy and helped the parents in identifying suitable follow up methods to reinforce the learning process of their children.

BEST OUT OF WASTE AND MASK MAKING COMPETITION

Making the best out of waste has been a part of human life since the early ages. It was the human creative mind that gave birth to this extraordinary idea of using unwanted material in a useful way. This habit of getting the best out of waste should be instilled in kids from an early age, not only to teach them about recycling but also to encourage their creativity. To imbibe this sensitivity in our children, Santhome Public School organized an inter house best out of waste competition for Grade 1 to V on 21st April, where children had to use their waste from home and design something creative out of it.

Mask making competition was conducted for Grade VI to X and their creative works displayed in the respective classroom.

IMAGINATION IS MORE IMPORTANT THAN KNOWLEDGE

ENGLISH LANGUAGE DAY CELEBRATION

English language day is celebrated on 25th April, the date traditionally observed as both the birthday and date of death of William Shakespeare. The school celebrated English language day for a week and different activities were conducted in the class by the English teachers to make the students aware about English Language.

The function concluded with national anthem !!!

INHOUSE TRAINING PROGRAMME 2023-24

“literary education is of no value, if it is not able to build up a sound character”.

Teachers at Santhome are not preachers but facilitators of the students and keeping them updated is imperative to the growth of the teachers and their students. We ensure that our teachers are well versed with the changing trends in education and their respective subjects. As part of this endeavor, our teachers attended one-day training on Learning objectives and outcomes conducted by Ms Edmend Dentise,(Principal of CBSE school) at Santhome Public School, Mira Road on 28-05-2023. The highly knowledgeable resource person apprised the teachers, of the latest update and changes in the school curriculum and pedagogy. The participants were engaged in a discussion on the role of innovative pedagogy to internalize the practical problems related to the children. The teachers grabbed this immense opportunity to brush up their skill and made the most out of it. The session concluded with the distribution of participation certificate to all the teachers who attended the programme. The discussion focused on sensitivity and caution in dealing with students, handling of questions or conversations on controversial themes, and how to motivate and encourage children to study and participate in extracurricular activities

The workshop was very interesting and enlightening. Through interactions the teachers realized that they were not alone in the challenges faced daily. Working in teams with unfamiliar faces was quite exciting and refreshing – almost like becoming students once again. “LITERAR

SEMINAR ON PARENTING FOR GRADE X

An enlightening workshop was conducted for the parents at santhome on 17th June 2023 by Dr Dinu, school counsellor. The workshop was conducted for the parents on the day of the first Parent Teacher Meeting. The workshop was attended by the Principal, members of the staff and the parents. The aim of the workshop was to motivate the parents to create a positive family atmosphere, believe in the concept of listening to their wards and to effectively meet up to any parenting challenge in today's modern world. Having conducted various seminars and workshops on Parenting she was able to convince the parents to take up their role as fun and not as an additional pressure, thus balancing work and family. The day was indeed fruitful as it promoted a continuous commitment on the part of teachers and parents for bringing about the overall development of the children

SESSION ON BULLYING FOR GRADE X

Seminar on bullying and online safety conducted on June 20th was a big success. It was held in the school by counsellor Dr Dinu Mathew. Students of Grade X attended the training. Dr Dinu spoke about the dangers of bullying and how to stop it. The speaker underlined the importance of educating young people about the risk associated with the internet bullying and how to use it safely and also discussed the legal assistance programmes accessible to bullying victims. Question answer section that followed the lesson allowed the students to share their own stories and voice their worries about the bullying. Schools' initiative to raise the awareness of such a crucial topic was excellent.

YOGA DAY CELEBRATION

“The rhythm of the body, the melody of the mind, and the harmony of the soul create the symphony of life.”

It is an exercise that we perform by balancing the elements of our bodies. This year the Yoga day celebrations were held at Santhome Public School on 21st June. The session was held in our school ground during Morning Assembly and also in the classroom. Students from classes 4 to 10 took part in the celebration. A group of students who were yoga students performed several asanas. They also performed standing and sitting asanas. Our yoga teacher showed us some simple and beginner asanas which we did for about 20 minutes. The session was really organized. All the students participated eagerly.

Yoga day was celebrated with great enthusiasm.

SESSION ON ADHD AND LEARNING DISABILITIES

A three hour workshop for teachers was organised on 27 April 2023, in santhome that delved into the topic: “Special Educational Needs, process of identification and intervention strategies”.

The resource person spoke to create awareness about the educational needs of differently abled children and the need to have inclusion in schools with education becoming a happy experience for all involved. Since all the participants have encountered students with different learning disabilities, they felt the need to be empowered to deal appropriately with such children.

Dr Dinu urged the participants not to label the students with special needs and encouraged them to address the concerns of children with special needs by tracking the problem to its roots. The areas elucidated were: the cause of the disabilities and definitions, the need to identify them, the types of disabilities and the versions and methods of dealing with children identified as having such concerns.

They also gave us methods to identify students with learning disabilities, to check the level of difficulties. They explained the strategies termed as 'The Power of 5' comprising of seating arrangement, organisation of work and space, delivery of information, classroom management and expectations from students work. The difference between accommodation and modification for the benefit of the student learning was discussed in depth.

The session closed with the point that one needs to model behaviour as children see more than they hear. The skills of empathy, positive intervention and responsive behaviour are paramount in the teaching profession.

STUDENTS PICNIC FOR GRADE 1 TO 7 (AUGUST 25TH)

“Picnics: where the sun is brighter, the laughter is louder, and memories are made.”

Our school organized an exciting and memorable picnic at Kidzania. The purpose of the trip was to provide students with a day of fun, relaxation, and camaraderie outside the academic environment. Kidzania is a popular park offering a wide range of thrilling rides, entertainment shows, and recreational activities. The students gathered at the school premises at 7 am where teachers and staff conducted a brief orientation about the day's itinerary, safety guidelines, and expectations. The buses, arranged for transportation, departed promptly, ensuring a smooth journey to Kidzania. The arrival at the park was met with enthusiasm and excitement from students and teachers alike. Kidzania provided an array of exhilarating rides and attractions suitable for all age groups. Some of the popular rides included Nitro, Scream Machine, and Dare Drop and the students thoroughly enjoyed the adrenaline-pumping experiences. The safety of the students was a top priority throughout the excursion. Teachers and staff ensured that students followed safety guidelines and rules while enjoying the rides. Emergency procedures were communicated, and designated meeting points were established in case of any unforeseen circumstances.

**STUDENTS
PICNIC**

First aid kits were readily available, and teachers remained vigilant to address any health or safety concerns promptly. A designated area within the park was allocated for lunch, where students were provided with meals. The school ensured that the meals were nutritious and suitable for all dietary preferences. Students had ample time to enjoy their lunch, socialize with friends, and recharge for the rest of the day's activities. We express our gratitude to the school administration for their meticulous planning and execution of the event, ensuring the safety and enjoyment of all participants. We look forward to more such enriching experiences in the future.
