Reopening of School – Academic Year 2025–26

The school reopened for the academic year 2025–26 with great enthusiasm and positive energy among students and staff. The campus was well-prepared, creating a welcoming and safe environment for all learners. Students returned with renewed determination to achieve academic excellence and participate actively in co-curricular activities. Teachers began the academic session with structured lesson plans and engaging teaching strategies.

Investiture Ceremony

The Investiture Ceremony was held on 7th April 2025 with great pride and dignity. The event aimed to instill leadership qualities and a sense of responsibility among the newly elected student council members. The Principal Fr Binoy Jacob administered the oath, emphasizing commitment, honesty, and dedication. The young leaders were entrusted with their roles and responsibilities in the presence of teachers and fellow students. The ceremony highlighted the importance of teamwork and accountability. It concluded with inspiring words encouraging students to lead by example.

NEET Examination

The school successfully conducted the NEET examination during the last week of April with proper planning and organization. Strict guidelines and protocols were followed to ensure a smooth and fair examination process. Adequate arrangements were made for seating, security, and supervision. Students appeared for the exam in a calm and disciplined manner. The staff worked efficiently to manage all aspects of the examination. The successful conduct of NEET reflected the school's capability in handling large-scale competitive exams.

CBSE Science Challenge

On 12th May, the CBSE Science Challenge Round was conducted in the school, encouraging students to explore scientific concepts creatively. Participants showed great enthusiasm and curiosity while solving problem-based questions. The competition aimed to enhance analytical thinking and application skills among students. The event provided a platform for showcasing scientific talent and innovation.

Teachers Training Programme by CBSE

In the month of May, a two-day Teachers Training Programme was conducted by CBSE to enhance teaching competencies. The resource persons for the sessions were Richa Kumar and Rajiv Garg, who shared valuable insights and practical approaches. On Day 1, the focus was on the Teaching-Learning Process, highlighting effective classroom strategies and student engagement techniques. Teachers actively participated in discussions and collaborative activities. On Day 2, the topic was Artificial Intelligence, introducing educators to modern technological advancements in education. The training programme was highly informative and helped teachers upgrade their skills for better learning outcomes.

The school reopened after the summer vacation on June 2nd with great enthusiasm and energy. Students arrived in neat uniforms, excited to meet their friends and teachers after a long break. The campus was filled with a lively atmosphere as morning assembly marked the beginning of the new academic phase. Teachers welcomed the students warmly and guided them about the upcoming schedule and activities.

CBSE Reading Challenge

The CBSE Reading Challenge commenced on June 12th and was conducted across all 12 divisions of the school. Students actively participated in reading a variety of books to enhance their comprehension and vocabulary skills. The initiative encouraged a habit of regular reading among learners of different age groups. Teachers monitored and motivated the students to complete their reading tasks effectively.

Yoga Day celebration

Yoga Day celebrations began on June 21st and were observed with great zeal in the school. Special yoga sessions were conducted during the morning assembly for all students. Trained instructors guided the students through various yoga postures and breathing exercises. The importance of maintaining physical and mental well-being was emphasized during the sessions. Students participated enthusiastically and understood the benefits of incorporating yoga into their daily routine.

Flower-making competition

A flower-making competition was organized on June 21st for students from classes 1 to 10. Participants showcased their creativity by making beautiful flowers using different materials. The event encouraged artistic expression and helped develop fine motor skills among students. The competition created a joyful and colorful environment within the school.

Club activities

Club activities were conducted on June 28th with active involvement from students of various classes. Different clubs such as science, literary, eco, and cultural organized engaging activities and projects. Students explored their interests and talents through hands-on participation and teamwork. Teachers guided the students and ensured smooth execution of all activities. The day was productive and helped in the overall development of students beyond academics.

Patron's Day

The school celebrated Patron's Day on July 2nd and 3rd with great devotion and enthusiasm in honour of Saint Thomas Apostolus. The celebration began with a special prayer service and meaningful reflections on the life and teachings of the patron. Students presented cultural programs, including songs, skits, and speeches highlighting his values and contributions. The school campus was beautifully decorated, creating a festive and spiritual atmosphere. The event inspired students to follow the path of faith, service, and dedication in their lives.

Unit Test 1 for students from Grade 1 to 10 commenced on July 4th in a well-organized manner. The examination schedule was planned carefully to ensure smooth conduct across all classes. Students appeared for their exams with proper preparation and discipline.

Painting competition

A painting competition was conducted on July 16th for students of different grade levels. Classes 1 to 5 participated in a finger and thumb painting competition, showcasing their creativity and imagination. Students from classes 6 to 10 took part in a traditional art competition, displaying their artistic skills and cultural expressions. The event encouraged students to explore their talents and develop an appreciation for art. The colorful creations added vibrancy and joy to the school environment.

In-house teachers' training session

An in-house teachers' training session was held on July 19th and was conducted by Fr Binoy Jacob, Beena Daison, Suma Nair and Sudha Shukla. The session focused on enhancing teaching strategies, classroom management, and student engagement techniques. Teachers actively participated in discussions, group activities, and knowledge-sharing sessions. The training provided valuable insights and practical methods to improve the quality of education. It was an enriching experience that strengthened professional skills and collaboration among the staff.

Club activities

Club activities for students of Grades 4 to 9 were conducted on July 26th, 2025, from 10:30 to 11:30 a.m. Various clubs such as the Science Club, Literary Club, Eco Club, and Cultural Club organized engaging and interactive sessions. Students participated enthusiastically in experiments, discussions, creative writing, and environmental awareness activities. The activities promoted teamwork, creativity, and critical thinking among students. It was a lively and productive session that encouraged holistic development beyond academics.

In-house teachers' training session

In-house teachers' training session was conducted on August 2nd by a team of four teachers. The session aimed at further improving teaching methodologies and integrating innovative practices in the classroom. Teachers exchanged ideas and experiences to enhance their instructional skills. Interactive activities and demonstrations made the session engaging and effective. The training contributed significantly to continuous professional development and improved teaching standards.

Independence Day

The school celebrated Independence Day with great enthusiasm on August 15th. The program began with the hoisting of the national flag, followed by the singing of the national anthem. Students presented patriotic songs, dances, and speeches that reflected the spirit of freedom and unity. Teachers emphasized the importance of remembering the sacrifices of our freedom fighters. The celebration instilled a sense of pride and patriotism among all present.

Creative competitions

On August 23rd, various creative competitions were organized for students of different classes. Leaf painting was conducted for students of 1st to 5th standard, while fabric painting was arranged for students of 6th to 10th. Nursery students participated in a National Leader fancy dress competition, showcasing their creativity and confidence. Junior KG students took part in a community helpers fancy dress competition, portraying different professions. Senior KG students enthusiastically participated in a Raksha Bandhan card-making competition, displaying their artistic talents.

Cybercrime awareness session

On September 13th, a cybercrime awareness session was conducted by Abhinav New and Visarpalak. The session provided valuable information about online safety and responsible internet usage. Students were educated about common cyber threats and ways to prevent them. On September 26th, an origami competition was conducted for pre-primary students. The young learners displayed creativity and enthusiasm through their paper-folding skills.

Best Out of Waste competition

On September 27th, a Best Out of Waste competition was organized for students from 1st to 10th standard. Students created innovative items using recyclable materials, promoting environmental awareness. Their creativity and resourcefulness were highly appreciated by the judges. The activity encouraged students to think sustainably and creatively. It was an engaging and educational experience for all participants.

Teacher's Day

On September 4th, Teacher's Day was celebrated with great joy by the students, who expressed their gratitude through performances and speeches. On September 5th, teachers celebrated Teacher's Day with enthusiasm and appreciation for their noble profession. A Parent-Teacher interaction session was also conducted on the same day to discuss students' progress. The interaction helped strengthen communication between parents and teachers. It also created a supportive environment for the overall development of students.

On the same day, a **Garba Night competition** was conducted for both parents and students. The event provided a platform for families to showcase their talents and bond together. Participants enthusiastically took part in various performances and activities. The program created a lively and joyful atmosphere within the school community. It was a memorable event that strengthened the connection between the school and families.

Annual Sports Day

The Annual Sports Day for students of Grades 1st to 10th was conducted with great enthusiasm from October 16th to 17th. The event began with a grand ceremony and a march past by the students, displaying discipline and unity. Various track and field events such as races, relays, long jump, and throw competitions were organized. Students actively participated and showcased their physical strength, determination, and sportsmanship. The cheering of the audience added excitement and motivation for the participants. Special games and fun activities were also arranged to ensure maximum involvement. Winners were awarded medals and certificates in recognition of their efforts. Teachers and staff ensured smooth conduct and encouraged every student to give their best. The event highlighted

the importance of physical fitness and teamwork. It was a memorable and energetic celebration for the entire school.

The school observed Diwali vacation from October 18th to October 29th. Students enjoyed the festive break with their families and celebrated the festival of lights with joy. They returned refreshed and energized after the holidays. The vacation provided a perfect balance of relaxation and cultural celebration.

In-house teachers’ training program

An in-house teachers’ training program was conducted on November 1st by Reshmi Miss, Leena Miss, and Lincy Miss. The session focused on enhancing teaching methodologies and classroom management skills. Teachers actively participated and shared their experiences and ideas. The training proved to be informative and beneficial for professional development.

On November 7th, the school conducted a CBSE activity titled “Ek Bharat Shreshtha Bharat – Matharam.” The activity encouraged students to learn about cultural unity and diversity. On November 8th, the Annual Sports Meet 2026 was organized for pre-primary classes, where young learners participated with great enthusiasm and joy.

Children’s Day

Children’s Day was celebrated on November 13th with great excitement and happiness. Teachers organized special performances and fun activities for the students. The day was dedicated to making children feel valued and joyful. Students enjoyed games, music, and entertainment throughout the celebration.

Cultural competitions

Cultural competitions for Grades 1st to 10th were conducted from November 14th to 15th with great zeal and participation. Events included singing, dancing, drawing, elocution, skit performances, and quiz competitions. Students showcased their talents, creativity, and confidence on stage. The competitions provided a platform for holistic development and self-expression. On November 17th, a session on sanitation, health, and hygiene was conducted by Vihan Foundation in association with Mira Bhinder Municipal Corporation for higher grade students, creating awareness about healthy living.

Club activities

On November 22nd, various club activities were conducted, including Eco Club, Literary Club, Science Club, and Art Club. Students participated enthusiastically and explored their interests beyond academics. The activities helped in developing creativity, teamwork, and leadership skills. Each club provided meaningful and engaging learning experiences.

School picnic

On November 26th, the school organized a picnic for students of Grades 1st to 5th to Kid Saniya. The students were excited and enjoyed the outing with their friends and teachers. Various fun games and activities were arranged to keep them engaged throughout the day. The picnic provided a refreshing break from regular classroom learning. Students bonded with their peers and created joyful memories. It was a delightful and enjoyable experience for all.

Paper origami competition and Show and Tell competition

On November 28th and 29th, the school organized a variety of competitions that reflected creativity and talent across all sections. A paper origami competition was conducted for Grades 1st to 5th, where students displayed intricate folding skills with great precision. Students of Grades 6th to 10th participated in a quilling art competition, creating beautiful and detailed designs. The nursery section enthusiastically took part in the Best Out of Waste competition, showcasing imaginative creations using recycled materials. Junior KG students charmed everyone with their Animal and Birds-themed activities, while Senior KG students confidently participated in the Show and Tell competition. These events were conducted beautifully, encouraging creativity, confidence, and joyful learning among all students.

Awareness session on diabetes

On November 27th, an awareness session on diabetes was conducted for students of Grades 7th to 9th by Dr. Badhsha Khan from Wokad Hospital, Mira Road. The session highlighted the causes, symptoms, and prevention of diabetes. Students gained valuable knowledge about maintaining a healthy lifestyle. It was an informative and health-focused program for the young learners.

School picnic

A picnic for students of Grades 6th and 7th was organized on December 8th and 9th at Mondira Village, Koppali. Students enjoyed the natural surroundings and participated in various outdoor activities. The trip provided a refreshing break and strengthened friendships. It was a joyful and memorable experience for all participants.

Career guidance session

On December 6th, a career guidance session was conducted for Grades 9th and 10th by Dr. Justin George. The session helped students understand various career options and future opportunities.

Christmas celebration

On December 20th, Christmas was celebrated joyfully by students from pre-primary to Grade 10th, spreading happiness and festive spirit.

Fun fair

A grand fun fair was conducted on December 26th for students of Grades 3rd to 10th with proper care and hygiene. The event included a variety of games, food stalls, and entertaining stage performances. Students participated enthusiastically and enjoyed every activity. The arrangements ensured safety, cleanliness, and smooth organization throughout the event. Teachers and volunteers worked together to make the fair successful. The lively atmosphere filled the school with excitement and joy. It was a delightful experience for both students and staff. On January 5th, Unit Test 2 commenced for students from Grades 1st to 9th and the primary section.

Republic Day

Republic Day was celebrated on January 26th with great pride and patriotism. The celebration included flag hoisting, patriotic songs, and speeches. Students participated actively and showcased their love for the nation. The event inspired a sense of unity and national pride among all.

Pariksha Pe Charcha

CBSE activities for the month of January were conducted under “Pariksha Pe Charcha” from January 12th to 23rd. Various engaging activities were organized to reduce exam stress and improve confidence. Students participated in discussions, creative tasks, and awareness programs. These activities helped students prepare mentally for examinations.

Safety Session by Fire Department

On February 3rd, a fire safety demonstration was conducted by the Fire Department of Mira Bhayander Municipality. Students learned about fire prevention and emergency response techniques. The practical demonstration made the session highly informative and engaging. It helped students understand the importance of safety and preparedness.

“Pariksha Pe Charcha” live session

The “Pariksha Pe Charcha” live session was conducted on February 6th and 7th under the guidance of Prime Minister Shri Narendra Modi. Students gained motivation and useful tips on handling exam pressure. The session encouraged positive thinking and confidence. It was an inspiring experience for all students.

Farewell celebration

The farewell celebration for Grade 10th was held on February 9th with warmth and emotion. Students shared their memories and expressed gratitude to their teachers. The CBSE Board Examinations commenced from February 14th onwards. Students appeared for the exams with confidence and determination. The school extended its best wishes for their success.

CBSE training on stress management

On February 19th, a CBSE offline training on stress management was conducted for teachers. The session focused on managing stress effectively and enhancing professional skills. Teachers benefited from practical techniques and interactive discussions. It contributed to overall professional growth and well-being.

The academic year 2025–26 concluded successfully with great achievements and memorable experiences. Students showed remarkable progress in academics, sports, and co-curricular activities. Teachers worked with dedication to ensure holistic development of every child. The school maintained high standards of discipline, learning, and values throughout the year. With gratitude and pride, the school looks forward to another successful and enriching academic year ahead.
